

# Pondicherry – User Creation Settings

The screenshot displays the Indus Vision dashboard interface for the location 'Pondicherry'. The top navigation bar includes the Indus Vision logo, a 'Logout' button, and a timestamp '12/02/2023 2:33:00 PM'. On the far right, there is a 'VPN' icon.

The left sidebar contains a 'Dashboard' section with several sub-options: Reports, AI Smart View, Machine Parameter, System Status, Settings, and Park. Below this is a 'Total Defects' section showing '0 Defects'.

The main dashboard area features several cards:

- Active Machines:** Shows 0 machines.
- Defect Classification:** Shows 0 defects.
- No. of SKU:** Shows 0 SKU.
- Insights:** A large card with a 'Real-Time Manufacturing DPMU' section containing a table with 10 rows and 10 columns, all of which are empty.

Below these cards is a chart titled 'Production vs Defects' comparing 'Total Products' (green line) and 'Total Defects' (red line) over time. The x-axis represents time from 0:00 to 2:00, and the y-axis represents values from 0.0 to 2.0. The chart shows no data points.

A large 'NO DATA' message is centered at the bottom of the dashboard area.

# Pondicherry – Dashboard Home

The screenshot shows the Indus Vision dashboard interface for the Pondicherry location. The top navigation bar includes the Indus Vision logo, a search bar labeled "Pondicherry", and a "Logout" button. On the left, a sidebar menu lists "Dashboard", "Reports", "AI Smart View", "Machine Parameter", "System Status", and "Settings". The "Settings" item is highlighted with a red box. The main content area is titled "Settings" and specifically "User Creation". It displays the "Email Id" as "vision@indusvision.ai". Below this, there are two toggle switches: "Send email notification" (which is turned on) and "Send sms notification" (which is also turned on). A red "User Creation" button is located at the bottom right of the "User Creation" section.
